Thorns RTC Tryout Policy

We understand families have a lot of conflicts during the summer time and we know there may be some conflicts with our tryout schedules. This is one of the reasons we offer three tryout dates for each location over a two-week span. If you have a conflict, you need to attend as many tryouts as possible. Even if you attend just one tryout, this is enough for our staff to see you play and either invite you back or let you go so don't be discouraged if you have to miss multiple tryout sessions. Obviously the more we can see you play the better.

If you need to miss all three, you will need to communicate with the RTC Director and myself so we are aware. You will still need to register for tryouts online and we will look to bring you out during one of the first training sessions in September. Yes, players should attend all tryout dates listed above if you are in town and available.

Tryout Injury Policy

If a player is injured and cannot attend tryouts, a doctor's note will be required in order for the player to be excused from the tryout. This note will need to be forwarded to me via email and the player will still need to register for tryouts online.

Feel free to email me if you have any questions at elyslo@timbers.com. We look forward to seeing you in August.
