

Reportero Bilingüe is a community program designed to encourage bilingual youth to be proud of their heritage and language. Students are nominated by their teachers and then apply to have the opportunity to interview a Portland Timbers player, Portland Thorns player or a member of the coaching staff. Following the interview, the selected students are required to write a report about the experience in English and Spanish that will be posted on the Portland Timbers website and social media outlets. With a professional interview, the students are able to further develop their bilingual speaking and writing skills while exhibiting a passion for the sport.

To be eligible, students are required to complete the application form, be nominated by a teacher/counselor and attend one of the participating schools of the César E. Chávez Leadership Conference. **DEADLINE IS JANUARY 18th, 2019.**

Only two (2) students will be selected to participate in the Reportero Bilingüe Program for the 2019 season. They will be announced at the César E. Chávez Leadership Conference on March 1st, 2019.
