Covid-19 Protocols and Tournament Check-In Information

- Make sure you are aware this is a one-day tournament this year due to Covid restrictions.

Boys will tryout March 20, girls will tryout March 21st.

- Check-In will take place 30 minutes prior to the start of the first session where players will receive their tryout numbers for the day.

- Cones will be laid out in the front parking lot to keep players spaced a part during check-in.

- Players will go through two check-in tents before entering the facility:
  1. Covid Temperature Check Tent
  2. Tournament Check-In Tent

- Players need to bring their RTC training kit, RTC top and then a light and dark shirt. We will not be using training vests during tryouts.

- Players will be required to have a signed Covid-19 waiver with them at check-in.

- Sanitizing stations will be set-up at each field for the duration of the event.

- Cones will be laid out around the perimeter of the complex for players to place bags during the event.

- Water breaks will be spaced out where a limited amount of players can go to their bags at a time.

- No parents or spectators will be allowed in the complex or around the fenced area. The event will be stopped until parents comply with this.

- Masks will be required at all times for both players and staff.

Flow Chart and Covid-19 waiver form have been included below on pages two and three.
RTC Tournament Facility Flow

*As Shown below in the photo, flow of participants will start in the parking lot near the Field 1 entrance at mid-field. Players will go through two check-in tents here before being allowed into the complex.

*The exit point for all players will take place at the left corner of Field 1 and the parking lot. There is a gate there where players will be walked out to the parking lot and to their parents. No parents will be allowed in the facility at any time.
RTC Tournament Format

2009 Tournament Format
The 2009 event will start out each session with a good warm-up by our staff. During the warm-up, the staff may break players into a small-sided game type situation in order to see players get as many touches on the ball under pressure. Goalkeepers will warm-up with our goalkeeping staff during this time in order to get a good evaluation.

Once we jump into games, we will have a schedule created in advance of the tryout where we will get the maximum look at each player in different situations. Games will all be 9 v 9. There will be no throw-ins by field players or punting by goalkeepers. We will look to keep a final ODP pool of 30-36 players and we have no issue bringing players out for a second-look if we feel we need more time to see them play. Attendance for the RTC Tournament is required for players to be considered for the 2009 ODP state pool though.

2010 Tournament Format
The 2010 event will start out each session with a good warm-up by our staff. During the warm-up, the staff may break players into a small-sided game type situation in order to see players get as many touches on the ball under pressure. Players who are interested in being goalkeepers will warm-up with our goalkeeping staff during this time in order to get a good evaluation. We understand players are still at an age where they may not have selected a top position yet.

2011/12 Tournament Format
The 2011/12 event is different than the 09 and 10 age groups in that we are not selecting an ODP pool for this age group yet. This age group will compete in a jamboree type format where we will train some and then play games to round-out the weekend. We will be selecting an all-tournament team from this age group that we post on the Timbers website. As we do with the 09 and 10 groups, we will warm the group up before each session, will likely participate in a small-sided activity, then will jump into games with a schedule created in advance. All games will be 7 v 7 for this age group with no throw-ins and no punting.
RTC Tournament Information

Hotel List for Out-of-Town Families
Included in the email is a list of hotels we have set aside for families who are looking for rooms during the RTC Tournament weekend. You are welcome to use any hotel you choose, but below are some options put together by our travel agent with some discounted rates for you. With the event being just one day this year, we have eliminated the typical two-night stay usually required for the RTC Tournament weekend. March 12th is the deadline to book rooms so don’t wait!

RTC Tournament Waiver Required by all Players
In order for players to participate in the RTC Tournament, the tournament waiver form will be required for players to give to us at check-in. This form must be signed by both the player and the parents or guardians of the player. We will not have extra forms on hand during the event. Families will be responsible for printing this form and bringing this with you to the event. This form is available on the email sent out and the website. I’ve also included this on the next page.

Tournament Cost
There is no cost for this event. This was included in your RTC fee paid last fall. But, if families have outstanding fees that have not been paid to this point, players will not be eligible to participate in this event until these fees have been paid.

When will Final Pools be posted on the RTC Website?
We will have all pools posted on the website by late Tuesday, March 23rd. Pools can be found at www.timbers.com under the Youth/RTC page.

What do I need to bring with me to the tournament?
Players need to bring their soccer ball with their name on the ball. The surface is turf, so factor that into the shoes you wear. Shin-guards, your RTC kit and masks are required. Players should also bring their own water or sports drink.

Can I leave once my session or games are completed?
Players should plan on being at the field for the entire duration of their tryout time. So each group has roughly two (two-hour) time slots. Knowing this, players should stay inside the field complex during the entire two-hour time slot. In a lot of cases, we will pull players from the sideline into games to see players in different situations.

Out of Position during games
There will come a time when your player may play out of position during the event in games. Don’t worry about it. Versatility goes a long way in ODP – we select soccer players, not one-dimensional players. Coaches will make sure they move players around so we see players where they want to play. Make sure your players speak-up if they are not being seen in their most comfortable position though.
RTC Tournament Covid-19 Waiver Form

COVID-19 WAIVER FORM
The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

We cannot guarantee that you or your child(ren) will not become infected with COVID-19 while participating in the RTC Tournament or at any of our facilities, and doing so could increase your risk and your child(ren)’s risk of contracting COVID-19.

This waiver acknowledges the contagious nature of COVID-19 and voluntarily assumes the risk that you and your child (player) may be exposed to or infected by COVID-19 while at the Eastside Timbers Complex and such exposure or infection may result in personal injury, illness, permanent disability, and death. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at the RTC Tournament at the Eastside Timbers Complex. On my behalf, and on behalf of my children and legal guardians, I hereby release, covenant not to sue, discharge, and hold harmless the Portland Timbers and Portland Thorns staff, or Eastside Timbers employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the facility, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation at the RTC Tournament.
