Training and Attendance Rules

All Timbers and Thorns ODP training is mandatory. Goalkeepers should attend both team training and goalkeeper training. Excused absences for ODP training include illness, injury, death in the family, ODP sanctioned event (Showcase tournaments, 03-05 age groups only), Regional or National team duty, soccer outside the country and graded school projects. Players do have three unexcused absences to use this year, but these absences must be communicated to your coaching staff and team manager prior to using them. Players should also know that just because your absence is excused, that doesn't mean a roster spot is ever guaranteed. Failure to communicate absences or failure to show up at training without notice will result in sitting out the next tournament. This includes Regional Camp.
